

The image displays six rectangular wood samples arranged in a 3x2 grid. Each sample shows a different grain pattern and color variation of walnut wood. The wood is a dark, rich brown color with prominent, wavy grain lines. The samples are laid out on a solid blue background. A small white label is placed in the center of the grid, between the middle two rows and between the two columns.

WALNUT
TOPS

The image displays six rectangular wood samples arranged in two columns of three. The wood has a dark brown, rich walnut color with a prominent, wavy grain pattern. A central white label is placed between the two columns, overlapping the middle sample of each. The background is a solid, vibrant blue.

**WALNUT
FRONTS**

The image shows seven horizontal slats of walnut wood stacked on a blue background. A white label is placed on the left side of the stack, partially overlapping the second and third slats from the top. The label contains the text 'WALNUT BACKS' in a bold, black, sans-serif font. The wood has a light brown, natural finish with visible grain patterns.
